

BIO

Ms. Welde is an exceptional educator with over a decade of experience in nurturing the hearts and minds of children, parents, and teachers. She firmly believes that emotional and social development is the cornerstone of academic success and has dedicated her career to fostering a supportive and enriching environment for children. Ms. Welde's deep understanding of child development and her commitment to creating an inclusive and empathetic educational space have positively impacted the academic journey of countless children. Her approach not only enhances learning but also builds strong, trusting relationships between educators, students, and their families.
